Suggestions from students:

1. A few students suggested for introducing various skill enhancement courses in the institution.
2. A few students suggested that there is an urgent need to setup computer laboratory with high-speed internet facilities.
3. Some students suggested that the authority should provide training programs to prepare the students for competitive examinations.
4. Few students suggested that curriculum should have still more practical approaches.
5. Few students suggested that there should be more smart learning environment using ICT classrooms.
6. A few students suggested that more online classes should be conducted in order to benefit the students keeping in view the academic loss during the lockdown period for COVID-19 pandemic.
7. A few students also suggested to provide an extended library with access to internet facility as well as a canteen for the students.

Action Taken:

The college has collected the feedbacks from the students regarding their subject curriculum in view of identifying the gap in the curriculum. Suggestions like more smart and experiential leaning and approach to competitive exams, relevant to the framing of the syllabus of various courses were consolidated and discussed in IQAC, then communicated to the subject teachers.

As suggested by IQAC following actions were prominently taken:

1. Teachers undertook more experiential teaching learning process like using PowerPoint presentations for enhancing teaching learning experience.
2. Expert guidance lectures are conducted on different advanced topics to inculcate interest in subjects.
3. Extension activities for social and environment sensitization are conducted.
4. Text books as well as reference books were purchased for the central library in order to benefit the students.
5. The authority suggests the teachers to conduct online classes for the students if needed by the students.

Conclusion:

The feedbacks collected from the students were analyzed and suitable actions were taken in order to satisfy the expectations of students.
