

**BORHOLLA COLLEGE  
FEEDBACK CELL, IQAC  
AUGUST, 2022**

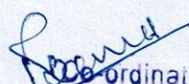

**TEACHER FEEDBACK ANALYSIS AND ACTION TAKEN REPORT  
(Academic Session 2021-2022)**

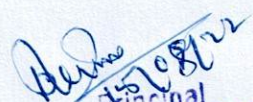

The institution takes feedback from the teachers every year. During the academic session 2021-2022, total 25 nos. of feedbacks have been collected from the teachers through google forms and the link was provided in college website. The feedbacks are basically on the curriculum, teaching-learning process and on the infrastructural facilities of the institution. An analysis of the feedbacks brings forth that the teachers are very much satisfied with certain aspects of the curriculum such as the prescribed course content as well as its relevance, the future scope of the prescribed courses in introducing new courses and also provided positive feedbacks regarding the existing programs' sufficiency in meeting the students' requirement of employability skill. Although most of the teachers are satisfied with the academic calendar, a few teachers reveals that the course content is so large that the teaching days are insufficient to complete the syllabus. Most the teachers are unable to use ICT tools in the classroom because there is a lack of ICT based classrooms at the institution. After a proper analysis of the collected feedbacks, some drawbacks have come into forth which are suggested by the teachers and are mentioned below:

1. A few teachers suggested that practical or career-oriented courses should be introduced in degree level.
2. It has been suggested to introduce integrated B. Ed program in the institution.
3. A few of the teachers suggested that population education and environment education should be included in the curriculum.
4. A few teachers suggested to introduce skill based/ vocational/ certificate courses.
5. Some teachers suggested to equip the students in modern technology.

**The feedbacks collected from the teachers were discussed in IQAC and carried forward to the institutional authority. Accordingly, the authority takes the following actions:**

1. It has been decided that a yoga training program as a certificate course will be introduced at college very soon.

2. The college campus has been equipped with wi-fi facility.
3. 5 nos. of projectors have been fitted in five classrooms.
4. Textbooks as well as reference books of existing departments of the college have been purchased for the central library.
5. The authority directs the concerned departments to introduce certificate courses of their concern as early as possible.

**Conclusion:**

The feedbacks collected from the teachers were analyzed and suitable actions were taken in order to satisfy the expectations of teachers.
